The Man and the Moment

CHAPTER 1
The Man and the Woman

Don Quixote

This page contains a page of text from a book, which is not legible due to the quality of the image. The text appears to be a discussion of historical events and literature, specifically mentioning Don Quixote and the year 1585. However, due to the poor quality of the image, the content is not readable.
don quixote
not so much that prose fiction came low through positive disesteem, as to critical authority, his was no clearly definable place in the tradition of

He had the best of the books of civility, they were works which Aristotle never thought of, of which S. Basili had had nothing to do with, and of which Cicero never

practices. In the same book he credited the art of poetry, though he could see clearly that his devotion to the art of poetry, though his prose appendix to that book had been cited as one of the best known practices.

There is no doubt about his devotion to the art of poetry, though. In theAppendix (Africano) his Apollo may take the whole breed of poets in general, but he declares that the poet he admired by the art he

and even everyone, including himself. All the poets even the good ones in the right side, look rather foolish or mean. The figure of Vango is not a prominent role in chapter V. What absurd inflated vanity it is to cast

 unconditional, be ranked as high by reason of the generous exercise in which he is engaged.

1. All references to Don Quixote are in the edition of Luis Munoz (1780), normally cited by page and volume in the series in English. The text, translated from the Castilian by William Roscoe, is highly entertaining and

2. The best edition of the first three parts, including the full bibliography, is that of R. W. Sewter (1969). The best edition of the last three parts is that of R. W. Sewter (1971). His edition of the last three parts of the novel includes a full bibliography.

4. The novel was first published in 1605. It was not until 1615 that the novel was first published in the complete six parts.

6. Probably not on 22 April, as it was said. That was the day he was inquired.
