

Professor: Edward B. Walker, Ph.D
 Office: SL 503M
 Phone: 626-6162
 Email: ewalker@weber.edu
 Website: <http://faculty.weber.edu/ewalker/>
 Office Hours: TY255P: M, T, W, F - 10:30am; T, 1:30pm; F, 2:30pm (or by Appt.)

Textbook, Lecture: General, Organic, and Biological Chemistry, (7th or 8th edition)
 H. Stephen Stoker, Houghton Mifflin Co.
 7th ed: ISBN-13: 978-1-285-85391-8 (or ISBN-10: 1-285-85391-1)
 Textbook, Lab: Safety-Scale Laboratory Experiments, Seager & Slabaugh, Brooks/Cole,
 ISBN-10: 0-538-73454-X (Check for Completeness!)
 Calculator: Recommended: Simple math functions, logs, & memory

<u>Grading:</u>	<u>Points / Activity</u>	<u>Total Points</u>	<u>% Total</u>
3 Hour Exams	100	300	28%
Final Exam	200	200	19%
Laboratory Activities, 12	20	240	22%
Chapter Assignments, 12	20	240	22%
Spontaneous Assignments	5-15	<u>90</u>	<u>8%</u>
Totals		1100	100%

The following scale will be used to determine grades, based upon a percentage of total points accumulated as indicated above. There will be no other options available for accumulation of points. Percentages will be rounded to the nearest whole point.

A	100-94	B+	89-87	C+	79-77	D+	69-67	E	<60%
A-	93-90	B	86-83	C	76-73	D	66-63		
		B-	82-80	C-	72-70	D-	62-60		

At the discretion of the instructor, lower point totals may be used for certain grades. Any student in the top 10% of the class will receive at least an "A-."

ALL assignments, homework, and labs will be submitted electronically through the WSU Canvas portal as high-quality "pdf" scanned images or MS Word documents (.doc or .docx formats). Smart phone apps such as (<https://www.camscanner.com/>) are acceptable if the images are of high quality. Multiple pages must be combined into a single file.

Work must be submitted by the deadline as listed on Canvas to receive full credit.

Submissions up to one week following the deadline will be marked off 50%.

NO ASSIGNMENTS WILL BE ACCEPTED MORE THAN ONE WEEK AFTER THE DEADLINE.

Attendance at lecture is highly recommended, since some questions on exams will be based on lecture material not found in the text. Extra assignments will also be given in class, often spontaneously and will be due during the same lecture period or the following day. *No make-ups or late assignments will be allowed.* If circumstances prevent meeting in our normal classroom on campus, we will continue this course by communicating on-line through the WSU On-line network (e.g., Canvas, Chi-tester, email, etc).

Mid-term exams will be given in the Tracy Hall Testing Center. Picture ID and a soft-lead pencil will be required. No exams are given out within one hour prior to closing. The final exam will be given in our classroom as per the WSU final exam schedule.
