Resources for "Tequila Sunrise"

M. Maxson

Try this strumming pattern.

These chords are in the key or the "family". 
N.C.

These 3 chords are "borrowed" and are related to the chord directly above. They will usually resolve or lead to that chord.

Here is that "hammer on" I was showing you. Strike the regular G chord and then moving your first finger over to the D string - hammer on the E. This will take some practice to master.
