“**Unwell**” Matchbox 20
Intro – A    D    F#m    E  (repeats)
D5 E5  A5                 F#5
All day staring at the ceiling
D5               E5                      F#5
Making friends with shadows on my wall
D5 E5     A5                    F#5
All night hearing voices telling me
D5
That I should get some sleep
E5
Because to-morrow might be good for something
C#m D2
Hold on
A                       E                 C#m     D2
Feeling like I'm headed for a break-down
A                   E
And I don't know why

[Chorus]
A                                                 D
But I'm not crazy, I'm just a little un-well
know right now you can't tell
F#m                                                                E
        But stay awhile and maybe then you'll see
A different side of me
A                     D
I'm not crazy, I'm just a little im-paired
I know right now you don't care
F#m                                                                E/G#
   But soon enough you're gonna think of me
     D5   E5
And how I used to be...me
       A5                 F#5
I'm talking to my-self in public
     D5          E5                    F#5
Dodging glances on the train
     D5       E5       A5                               F#m
And I know, I know they've all been talking about me
D
I can hear them whisper
       E
And it makes me think there must be something

C#m          D
wrong with me
     A                   E
Out of all the hours thinking
C#m  D      A                E
Some-how I've lost my mind

[Chorus]
A                                                D
But I'm not crazy, I'm just a little un-well
I know right now you can't tell
F#m E
But stay awhile and maybe then you'll see
A different side of me
A D
I'm not crazy, I'm just a little im-paired

I've been talking in my sleep
D F#m
Pretty soon they'll come to get me

And how I used to be
     F#m      E
Yeah, how I used to be
A        D
How I used to be
     F#m      E
Well, I'm just a little un-well

How I used to be
     F#m      E
How I used to be
A
I'm just a little un-well
