

SECURE SAE:

This will be your final for this class. You must pass this exam in order to pass this class! You must receive a score of 68/100 questions correct. It is a proctored exam taken on computer (not on ChiTester). If you fail this test the first time, you will be given a retake. If you pass the retake your maximum grade for the course will be a C. This secure SAE exam is not a WSU test but a test developed by the same company that develops the NBRC exams. We have no control over which test is given to you. Your second SAE may be different from your first SAE. You will not receive a passing grade in this course if you are unable to pass the SAE in two attempts. The cost of this is exam is \$35-\$40 and is subject to change. Instructions will be given to you how to pay for this exam.

PLEASE NOTE: You must pass this class to be eligible to take the NBRC RRT Exam. You must also obtain your AS degree. It is your responsibility to apply for graduation. The graduation deadline for spring is **February 13, 2009**. If you have applied for graduation previously but did not meet the requirements, it is your responsibility to notify graduation that you would like to be considered for graduation again. It is not necessary to pay the graduation fee again. For more graduation information or for an application please visit departments.weber.edu/registrar/graduation
