**Program Title:** Construction Management Technology (AAS)

Check all that apply:

- New course(s) required for major, minor, emphasis, or concentration.  
 Modified course(s) required for major, minor, emphasis, or concentration.  
 Credit hour change(s) required for major, minor, emphasis, or concentration.  
 Credit hour change(s) for a course which is required for the major, minor, emphasis, or concentration.  
 Attribute change(s) for any course.  
 Program name change.  
 Deletion of required course(s).  
 Other changes (specify) \_\_\_\_\_

The following changes will be made to this degree:

- Add NTM 3250 - Business Communications (3)
- Add GEO 1065 - Environmental Geosciences Lab (1)
- List ENGL 2010 - Intermediate College Writing (3)
- Add CMT 2899 – AAS Graduation Assessment and Signoff (0)

This will increase the AAS from 60 to 64 credit hours.

**JUSTIFICATION:**

- Add NTM 3250 - Business Communications (3)
- Add GEO 1065 - Environmental Geosciences Lab (1)

These changes are being made to maintain consistency with the Construction Management Emphasis, Construction Management Technology (BS) degree. This allows the AAS degree to remain the first two years of the Construction Management Emphasis, Construction Management Technology (BS) degree, insuring that we have a 2 + 2 program.

- List ENGL 2010 - Intermediate College Writing (3)

Listing ENGL 2010 clarifies that we require the students to take ENGL 2010 to meet the general education requirements of the AAS degree. English 2010 is required in the first two years of the BS Degree. This will ensure that we have a 2 + 2 program.

- Add CMT 2899 – AAS Graduation Assessment and Signoff (0)

This class is being added to facilitate the changes being made in the graduation application process.

Copy the present program from the current catalog and add the required changes (exactly as you wish them to appear in the catalog). Use ~~strikeout~~ when deleting items in the program and highlight when adding items. If multiple changes are being proposed, please provide a summary.

**Submit the original signed proposal(s) along with 22 copies to the Faculty Senate Office (MA210J), MC 1033, and an electronic copy to [bstockberger@weber.edu](mailto:bstockberger@weber.edu)**
