Contact Hours: Lecture Lab Other

Repeat Information: Limit Max Hrs

(Limit=number of times course can be repeated for credit. Leave at 0 if course cannot be repeated for additional credit).

Grading Mode: Standard Letter Credit/No Credit

This course is/will be:

- a required course in a major program
- a required course in a minor program
- a required course in a 1- or 2- year program
- elective

Prerequisites/Co-requisites (also list these at the end of the course description):

ENTR 2001

Course description (exactly as it will appear in the catalog, including prerequisites):

Students will utilize skills learned in previous courses to develop a business model that they will validate and iterate via paying and participating customers. Budgets and spending plans will be designed to launch a business using actual dollars. Student teams will present their company at the beginning of the course as teams and will then use student start-up funds to launch their business. Pre-requisite: ENTR 2001

Justification for the new course or for changes to an existing course. (Note: Justification should emphasize academic rationale for the change or new course. This is particularly important for courses requesting upper-division status.)

This course constitutes an essential part of the knowledge base and practice required for the new Entrepreneurship Minor. There are no similar courses currently available.

Nonsubstantive proposals stop here and go to the bottom of the form to submit the proposal

INFORMATION PAGE
for substantive proposals only

1. Did this course receive unanimous approval within the Department? Yes No

If not, what are the major concerns raised by the opponents?

2. If this is a new course proposal, could you achieve the desired results by revising an existing course within your department or by requiring an existing course in another department? Explain.

There are two courses within the university which currently teach Entrepreneurship.

1. BSAD 4500 Entrepreneurship requires the following pre-requisites: Business Foundations; BSAD 2899; MKTG 3010; MGMT 3010, MGMT 3200 and as such is only open to students with significant business knowledge. This course is specifically designed to meet the needs of non-business student entrepreneurs.

3. If this is a new course proposal, how will the proposed course differ from similar offerings by other departments? Comment on any subject overlap between this course and topics generally taught by other departments, even if no similar courses are currently offered by the other departments. Explain any effects that this proposal will have on program requirements or enrollments in other department. Please forward letters (email communication is sufficient) from all departments that you have identified above stating their support or opposition to the proposed course.

As stated above:

MHA 6180 Health Care Entrepreneurship is the only course offered outside the Business School which refers to entrepreneurship. This course is at a higher level and focuses entirely on entrepreneurship in a health care context and the need for intrapreneurship in health care organizations. Thus, it's focus is

4. Is this course required for certification/accreditation of a program? Yes No

If so, a statement to that effect should appear in the justification and supporting documents should accompany this form.

5. For course proposals, attach a copy of the course syllabus to the form your are submitting to the Faculty Senate office. The syllabus should be sufficiently detailed so that committees can determine that the course is at the appropriate level and matches the description. There should be an indication of the amount and type of outside activity required in the course (projects, research papers, homework, etc.).

Please mail a signed approval page to the Faculty Senate Office, MA 210J, MC 1033.
