Subject: RE: Proposed NMT Changes

To: Diana Green <djgreen@weber.edu>

Dr. Green,

As a follow up to our earlier discussion I wanted to confirm I do support the proposed changes to the NTM curriculum. I appreciate you walking me through each of the final points. They are in line with the discussions we've had as a committee and the NTM team.

I am confident these are solid next steps for the program in an ever changing technology environment.

Thanks

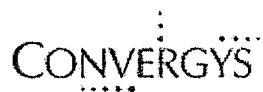

Jeff W. Stokes
