CURRICULUM COMMITTEE

PPM 1-13, Article 5, Section 4.5: The Curriculum Committee (CC) shall study and evaluate the curriculum needs of the University by reviewing program, certificate, and course proposals (including courses proposed to fulfill specific General Education designations as defined in the CCP manual), which have been approved by college curriculum committees or programs that report directly to the Office of Academic Affairs.

1. Review and approve all Course and Program proposals in Curriculog. (Ongoing)
2. Offer seminars (probably through TLA) to faculty, and create tutorials to help acquaint faculty with the Curriculog curriculum process.
3. Research and make a policy recommendation on the maximum allowable number of upper division for an Associate's Degree.
4. Work with the General Education Committee to find solutions on the number of general education requirements for associate degrees; this is to ensure that all degrees do not exceed the Department of Education's requirement of 60 to 64 credit hours, and that Weber State University general education requirements meet acceptable range for general education.
