

Approved by Curriculum Committee Meeting 25 January 2017

GEIAC unanimously approved(1-11-17) a new set of learning outcomes for ENGL 2010/Composition in General Education. They are as follows:

Students will:

- Identify connections between and among texts and their ideas.
- Compose writing that is structurally coherent and unified.
- Compose writing assignments with a clear thesis or main idea.
- Control such surface features as syntax, grammar, punctuation, and spelling.
- Paraphrase, summarize, and use sources appropriately.
- Use MLA and/or APA, citation method correctly.
- Make and support an effective argument.
