A Sample Homework Quiz

3 Problems - 1 Table

Each Homework Quiz will be about two pages and will contain 3-4 problems from the homework problems. Each quiz will be graded out of 15 possible points. You will be given necessary tables, but no formulas. Below is a sample Homework Quiz for Chapter 1.

Time Limit: 40 Minutes¹

No Scratch Paper

Calculator Allowed: Scientific

Name: _____

The point value of each problem is in the left-hand margin. You must show your work to receive any credit. If you need extra space, write on the back. Work neatly.

(4) 1. *A problem from the Chapter 1 homework list.*

(5) 2. *Another problem from the Chapter 1 homework list.*

¹If you exceed the time limit, you will receive a score of zero.

(6) 3. One last problem from the Chapter 1 homework list.

Table I										
Row Number	Random Numbers									
	Column Number
