Dynamical Systems
Homework #1
Due 1/9/2026

For this homework do the entire "Mathematica: From Algebra to Dynamical Systems" lab. You can find this lab on my website `https://faculty.weber.edu/aghoreishi/Math3280_s26/` or click below.

Mathematica: From Algebra to Dynamical Systems

This lab is completely self explanatory. It also includes instructions on how to access the software. **Only correct and complete version of the lab will be accepted.** Submit your completed lab as an email attachment to me at aghoreishi@weber.edu. You can compare your work with the "Output of Mathematica: From Algebra to Dynamical Systems".
