**Objectives:** Utah State Code 53B-16-103(b) requires that “A student shall demonstrate a reasonable understanding of the history, principles, form of government, and economic system of the United States prior to receiving a bachelor’s degree or teaching credential.” Successful completion of this course will satisfy this “American Institutions” requirement.

This American Institutions (AI) course meets the following objectives. Upon completing an AI course a student shall demonstrate a reasonable understanding of:

1. The significant political, economic, and social changes in American history.
2. The major principles of American civilization, including the concepts of popular sovereignty, liberty, and equality.
3. The institutions and practices of the government provided for in the United States Constitution.
4. The basic workings and evolution of a market economy in the United States.
5. The diversity of American life and experience.

**Class Description:** An analysis of American civilization that traces social, cultural, economic, and political developments in the United States. May be taken to complete the American Institutions requirement (grade of C or better required).

Participation in the class and class discussions are expected.

**Students with Disabilities:** Any student requiring accommodations or services due to a disability must contact Services for Students with Disabilities (SSD) in Room 181 of the Student Service Center. SSD can also arrange to provide materials (including this syllabus) in alternative formats if necessary.

**Quizzes:** There will a quiz every day at the beginning of class. Each quiz will be based on the readings that you were given for that day, or will be given on the content of the previous class’s discussions.

**Grading Policies:** Grades will be determined on the following basis:

Quizzes	40%
Map Assignment	10%
Timeline Assignment	20%
Term Paper	20%
Class Participation	10%

Grades: A: 90 - 100% B: 80 - 89% C: 70 - 79% D: 60 - 69% E: 0 - 59%  
(Grades at the high or low ends of these ranges will earn plus and minus grades.)

**Cheating Policy:** Cheating and deceit are not accepted at Weber State University. *Cheating on an quiz or assignment, or turning in someone else's work as your own, will result in an E for the class.* You may work together on your assignments and papers, but you must turn in your own work. If you quote from a book, article, or web site, you must properly quote and cite your work. **Avoid even the appearance of cheating or plagiarism.**

**Cell Phones, Texting, and Laptops:** Put your cell phones on vibrate. Try to avoid leaving class to take a call, but an occasional emergency is understandable. There will be NO texting in this class. Laptops or other personal digital tools may be used to take notes or look up material relevant to class discussions. No other uses of laptops will be tolerated.

**Recording Classes:** Video or audio recording of any portion of lectures is only permitted in this class upon my authorization. If you would like to request authorization to record, please contact me. Unauthorized recording is a violation of the Student Code of Conduct, for which a student may be subjected to disciplinary action under PPM 6-22, Student Code. Students who seek to record for purposes of accommodating a disability should contact the Disability Services Office at (801) 626-6413 or [dsc@weber.edu](mailto:dsc@weber.edu). See more info at <https://www.weber.edu/disabilityservices>.

**Campus Closure:** In the event of an extended campus closure, please look at your Weber State email to find instructions on how we will continue the class via email and the online course system.

**Term Paper:** Write a 5-7 page paper on your personal family history, relating it to the American history that you have learned in this class. You may turn in an early draft for me to critique, and I will return the critiqued draft one week later. The final draft is due on the final day of class. If you have no sources for a personal family history, you may write a 5-7 page paper on any topic in American history. If you choose the second option, you must cite at least four scholarly sources (Chicago or Turabian style), by which I mean scholarly articles or scholarly books. Encyclopedias don't count.

**Timeline Assignment:** Objective: Review of events of American history; gain an increased understanding of historical perspective.

Make a chronological timeline of what you see as the 30 most important events in American history from 1492 to the present. Use an American history textbook or an encyclopedia or the Internet to find your information. For each entry, include the date and a 2-3 sentence justification for your choice. Timeline MUST be typed, printed out, or emailed to me.

A sample entry:

December 7, 1941, Pearl Harbor.

Japanese launch a surprise attack on the American fleet at Pearl Harbor. This leads to the entry of the United States into World War II and because the attack was a surprise, angry Americans were not willing to accept any peace agreement with Japan short of total victory.

Grading will be based on three criteria: 1) Placing all locations correctly; 2) Neatness and presentation; and 3) Grammatical or mechanical errors.

**Map Assignment:** Objective: Refresh your geographical knowledge from an historical perspective.

Attached to this syllabus are blank maps of the continental United States and the World. You might want to make copies for practice. Place or draw the following locations on the maps.
