

Research Experience for Undergraduates

(May 17 – August 6, 2010)

Marine Science Fellowships

Offered for seven students in their junior and senior years who are interested in pursuing careers or graduate studies in Marine Sciences – example: Biology, Chemistry, Geology and Environmental Sciences.

- Sponsored by the National Science Foundation and the Dauphin Island Sea Lab.
- 12 weeks of basic field and laboratory research.
- Stipends of \$3,000 will be provided for the full-time program. In addition, students will be provided on-campus housing and a food allowance (\$600.00). Students from outside the Mobile, AL, area may apply for limited travel assistance (up to \$400.00).

Apply on-line: <http://univ-prog.disl.org/nsf/nsfapplication.cfm>.

Application Procedures: 1) A completed application (prefer on-line); 2) Official college transcripts of all completed work; 3) Two letters of recommendation; and 4) A statement of career goals and research interest. For more information contact Sally Brennan, University Programs Registrar (251) 861-2256 (sbrennan@disl.org).

Application Deadline: *February 12, 2010.*
